### II. RECOMMENDATIONS

Recommendations are just that, implemented or not at the discretion of the staff or the CCS Board. Acceptance of this Sport Committee Report does no more than acknowledge these recommendations. These are not action items. If a recommendation is to be approved, and/or the Board wants to direct staff to institute a particular recommendation, the CCS Board must pull out and vote upon that specific recommendation.

**None**

### **III. MISCELLANEOUS**

**BELLARMINE COLLEGE PREP**

### **IV. PROPOSED MAJOR FORMAT CHANGES**

This section contains any proposal that the staff has determined to be a major change in the core format of the CCS Play-offs in this sport. As such, any item listed below will be reviewed as a 1<sup>st</sup>-reading at the CCS Board of Managers meeting following the Sport Committee meeting. The Board will return the item(s) to the Leagues for review and discussion; the item(s) will be agendaized at the next Board meeting for final discussion and action.

**Proposal #1: Modify Section 3.-A. and B., to reflect formation of two (2) 10-team Divisions, as follows:** (approved by a 6-0-0 vote)

#### **Section 3. TOURNAMENT FORMAT / SITES**

- A.** All Teams will enter a two (2) single-elimination, ~~16-team~~ Tournaments, as follows:  
- Division I: 10-team Tournament  
- Division II: 10 team tournament  
The current school year's grade 9-12 CBEDS enrollment figures (to be posted November, 2007) will be the determining factor in placing teams in their appropriate Divisions. The 10 schools with the highest enrollment figures will play in Division I, and the 10 schools with the next highest enrollment figures will play in Division II.
- B.** All matches prior to the Quarter Semi-Finals will be played at home sites, as per Section 5.-B.-5.-a.(3) below.

**Rationale:** Boys Volleyball has grown significantly over its 12 year existence. It now has 48 teams competing, and a 20-team Play-off (44% of all participating teams) would be relatively consistent with many other sports within the CCS. The increase of four (4) teams to the Play-offs would allow all Leagues greater representation in the Play-offs, and would promote the growth of this sport in all Leagues. This proposal follows the patterns established by Water Polo and Baseball.

#### **Financial impact:**

- This proposal would create three (3) more matches for the tournament. Officials cost \$165 per match = a total cost of \$495.
- Team travel subsidy for three more matches...cost unknown
- One less night at the neutral location. A savings of site fees for that location.
- Total gate revenues should be comparable

**Proposal #2: Modify Section 5.-B.-4.b. to reflect the re-classification of the PSAL from a "B" League to an "A" League.** (approved by a 6-0-0 vote)

**Rationale:** The PSAL is currently the only League with a "B" classification and believe, therefore that they are at a significant disadvantage in the seeding process. The top teams in the PSAL have proven that they can compete with the top teams from the other Leagues.

No financial impact.
