

IV. PROPOSED MAJOR FORMAT CHANGES-Division Placement-- You will be asked to vote for one.....

Proposal #1: (Passed 17 “yes”/2 “No”)

Basketball Committee’s first choice:

Division placement by enrollment. Divide schools into divisions of 25 beginning with Division I. (Division V may not, therefore, have 25 schools.)

Rationale: The CCS currently has 122 (boys) and 123 (girls) schools playing basketball. By using the guidelines of the “Blue Ribbon Committee”, division placement based on enrollment, will be adjusted so that the size of each division will be 25 schools, beginning at Division I. All but Division 5 will be insured 25 schools. This would balance the number of schools in each division and insure that the CCS would qualify 4 teams into the CIF Regional Championships in all but Division 5 boys.

Proposal #1: Projected Qualifiers (based on 2009-10 CBEDS/2008-09 qualifiers)

Proposal #2: (Passed 17 “yes”/ 2 “No”)-Basketball

Committee’s second choice--Division placement by enrollment. Divide schools into divisions of 25 beginning with Division I, but insuring that boys and girls teams from the same school are in the same division. (Division V may not, therefore, have 25 schools.)

Rationale: Division placement is the same as in proposal #1 but adjustments may be made to insure that the boys and girls teams from each school are placed in the same division

Proposal #3: League Commissioner’s Amendment:

Place all schools with enrollment of 500 or less in Division 5. Insure that Divisions 2 & 3 have a minimum of 25 teams. Divide the remaining school equally into Divisions 1 & 2.

Rationale: Insures that all schools with an enrollment of 500 or less remain in Division 5 in Cross Country, Volleyball, and Basketball and insures that Divisions 2 & 3, which historically are our stronger divisions have 25 schools, thus qualifying four(4) teams to the Northern California Regional Tournament .
