

Memorandum

To: Tom Sculley, Director of Operations
Brute

From: Jerry L. Diehl

Subject: Brute Gladiator Earguard

Date: November 6, 2002

Thank you for sending the sample of the earguard mentioned above.

After review, I see that the entire earguard is made of a soft, pliable material including the areas covering the ears.

Therefore, this should not pose a problem for use at the high school level.

Thanks again for your quick response to my request, as wrestling season is upon us.
