NANCY LAZENBY BLASER
CCS COMMISSIONER

NEW OFFICIAL VOLLEYBALL CONTRACT

The CCS is pleased to announce a new ball contract that was recently signed with Spalding. Spalding has partnered with CIF/CCS for the next five years to provide Financial remuneration, as well as a TF 4000 NCAA Gold (61-8859) Volleyball for every team in both our boy's and girl's CCS Championship Tournaments.

"We are delighted to have Spalding interested and committed to supporting the efforts of our CCS Volleyball student-athletes in this way. Spalding is a great company to work with and provides a quality product that enhances and supports financially our efforts to put on a great Championship Tournament for our member schools," says CCS Commissioner, Nancy Lazenby Blaser.

The Official Ball sponsorship for all sports in the CCS provides financial support for the operation of CCS activities. It also provides for a consistent quality product that is used exclusively throughout the CCS Championship Tournament. Both of these aspects directly benefits the participants in our CCS Championships, as well as the section schools at-large.

Chris Sims of Spalding says, "Spalding has enjoyed a great relationship with the Central Coast Section, CIF in other sports. We appreciate the opportunity to be associated with the schools and student athletes of CCS in volleyball.

The contract with Spalding will run from Fall 2004-Spring 2009. CCS also has official ball contracts in the sports of golf, soccer, and basketball with Spalding and looks forward to this new venture in working with them. We hope our member schools will reciprocate Spalding's support of their programs, by utilizing Spalding products.

Go to the CCS web page for a list of Spalding dealers. www.cifccs.org/playoffs
