

## ENCLOSURE FOR NORTHERN CONFERENCE REALIGNMENT MEETING 2007

### LIST OF RATIFIED REPRESENTATIVES FOR EACH SCHOOL—as of 2/17/07

(The following representatives are authorized voting reps for each school unless an alternate is designated in writing by the ratified representative on this list)

If your school does not have anyone listed below, or if the party listed no longer should serve as a ratified representative, you MUST have your superintendent (public schools) or governing authority (private schools) complete the attached **DESIGNATION OF CIF REPRESENTATIVES TO LEAGUES** form that is attached. This form was sent to your districts by the CIF on April 11 of last year and to date, has not been returned. You CANNOT vote unless that form is submitted and turned in to the CCS office no later than the time of the Conference Meeting, March 26. You should not have been allowed to vote at any league meeting this year until this form was received. So please hand-carry it to the appropriate person and get it signed off ASAP..

I strongly suggest that several alternates be listed besides the main ratified representative requested on the form.
